EDURISE / COACHING INSTITUTE

Right guidance for a brighter future.

Academic programs and learning pathways.

FICTIONAL CONCEPT • TECHSPYRO PORTFOLIO

PROGRAM 01

School foundation / Classes 8–10

EduRise academic program overview

School foundation / Classes 8–10

Concept-building, subject support, study habits and regular practice.

PROGRAM PLANNING NOTE

A real course plan should specify subjects, class timings, faculty and learning materials.

Illustrative program outline only. Confirm actual course details with the institute.

PROGRAM 02

Senior secondary / Classes 11–12

EduRise academic program overview

Senior secondary / Classes 11–12

Subject-focused academic support aligned to the learner's school curriculum.

PROGRAM PLANNING NOTE

Subject combinations, board coverage and class schedules require institute confirmation.

Illustrative program outline only. Confirm actual course details with the institute.

PROGRAM 03

JEE preparation

EduRise academic program overview

JEE preparation

A structured learning pathway for engineering entrance aspirants, with concept study and practice.

PROGRAM PLANNING NOTE

Actual syllabus mapping, faculty, test frequency and batch details must be verified.

Illustrative program outline only. Confirm actual course details with the institute.

PROGRAM 04

NEET preparation

EduRise academic program overview

NEET preparation

Study planning and practice support for medical entrance aspirants.

PROGRAM PLANNING NOTE

Teaching scope, subject coverage, test plans and faculty credentials require verification.

Illustrative program outline only. Confirm actual course details with the institute.

PROGRAM 05

CUET preparation

EduRise academic program overview

CUET preparation

Focused preparation support for learners planning to appear for CUET.

PROGRAM PLANNING NOTE

Applicable subjects, exam-cycle updates and course schedule should be confirmed.

Illustrative program outline only. Confirm actual course details with the institute.

PROGRAM 06

Test series & revision

EduRise academic program overview

Test series & revision

Practice assessments, revision sessions and progress-review concepts.

PROGRAM PLANNING NOTE

Assessment format, frequency, evaluation and feedback process need a real academic plan.

Illustrative program outline only. Confirm actual course details with the institute.

STUDENT SUPPORT

A clear path from enquiry to enrolment.

A sample student and parent information journey.

Start with a counselling conversation.

A real institute would collect the learner's class or target exam, subject interests, current preparation level and preferred counselling time before sharing a suitable course plan.

EDURISE IS A FICTIONAL TECHSPYRO PORTFOLIO CONCEPT.
